25X1 8. [] Met with Mrs. McCaleb, secretary to Representative Neiman Craley, and Mrs. Matus, the Congressman's Administrative Assistant, and advised them that their request for 500 South Vietnam maps could not be met by the Agency because the Agency's charter did not permit it to expend appropriated funds for such purposes. Mrs. Matus stated that she understood the Agency's position and was appreciative of the gift of 20 maps. Mrs. McCaleb advised that she had been in touch with the Army Map Service attempting to obtain maps and was advised that it would cost several hundred dollars to print the maps. Mrs. Matus stated she did not believe it was necessary to contact Mr. Craley to explain the Agency's position because she felt sure he would understand.

25X1 9. [] Met with Mr. Frank McNamara, Staff Director of the House Committee on Un-American Activities, to advise him that [] could be made available to the HCUA in an executive session whenever the Committee desired.

I called Miss Perry by way of follow up to her call and asked if I could be of any assistance. She indicated she was calling about correspondence to the Agency from a Washington attorney, [] with respect to []. She was interested in knowing whether we had been in touch with []. Within a short time, I called Miss Perry back and indicated that [], of our General Counsel's Office, had spoken to [] by telephone on Monday and that our General Counsel, Mr. Houston, had followed up with a letter to [] yesterday.
